the treatment of all diseases, including

deformities, nervous and chronic

diseases of men, women and children,

offer to all who call on this trip,

consultation, examination, advice free,

making no charge whatever, except

the actual cost of treatment. All

that is asked in return for these valuable

services is that every person

treated will state the result obtained

to their friends and thus prove to the

sick and afflicted in every city and

locality, that at last treatments have

been discovered that are reasonably

sure and certain in their effect.

The United Doctors are experts in

the treatment of chronic diseases and

so great and wonderful have been

their results that in many cases it is

hard to find the dividing line between

skill and miracle.

Diseases of the stomach, intestines,

liver, blood, skin, nerves, heart, spleen,

rheumatism, sciatica, tapeworm, leg

ulcers, weak lungs and those afflicted

with long-standing, deep seated chronic

diseases, that have baffled the skill

of the family physician, should not

fail to call. Deafness often has been

cured in sixty days.

According to their system no more

operation for appendicitis, gall stones,

tumors, goiter, piles, etc., as all cases

accepted will be treated without operation

or hypodermic injection, as they were among the first in America

to earn the name of "Bloodless

Surgeons," by doing away with the knife with blood and with all pain in the successful treatment of these dangerous diseases.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit at this time may help you.

Worn-out and run-down men or women, no matter what your ailment may be, call, it costs you nothing.
